**RE: Ontario Chamber Dedicated to Ontario's Economic Recovery**

Dear Premier,

Thank you for your continued leadership during the COVID-19 pandemic.

The OCC's [Policy Councils](#), along with our COVID-19 Working Group, are available and ready to support Ontario's economic recovery. Throughout the crisis, businesses across the province have stepped up to deliver solutions and divert resources to address immediate and pressing needs.

Input and participation from Ontario business will continue to be critical for our long-term economic recovery. Temporary measures will need to be supplanted with foundational reforms. As the Ontario Jobs and Economic Recovery Committee meets in the coming months, we invite you to leverage the OCC's stakeholder networks to support and advise your efforts.

Our Policy Councils consist of:

- [Ontario Infrastructure Council](#)
- [Ontario Cannabis Policy Council](#)
- [Workforce Development Council](#)
- [Energy Council](#)
- [Health Policy Council](#)

We are committed to working with all levels of government to respond and adapt to challenges facing Ontario business during this crisis and to ensure we are prepared for economic recovery.

Sincerely,

Rocco Rossi

*Ontario Chamber of Commerce*
